Principal G. L. Grant,
Upper Canada College,
Toronto.

Dear Principal Grant:

I am returning to you Dr. Kingsford's letter after having sent it to Professor Baker of the Department of Mathematics. He tells me that he sees no opening at all into which Mr. Pigott might be fitted in nor have I recently heard of any position in any of the other Universities. It might be worth your while to send it to McGill and to Queen's.

Yours sincerely,

President.
